[26th November 2008]

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART 1

CARBON TARGET AND BUDGETING

The target for 2050

1 The target for 2050

- (1) It is the duty of the Secretary of State to ensure that the net UK carbon account for the year 2050 is at least 80% lower than the 1990 baseline.
- (2) “The 1990 baseline” means the aggregate amount of—
 - (a) net UK emissions of carbon dioxide for that year, and

- (b) net UK emissions of each of the other targeted greenhouse gases for the year that is the base year for that gas.

2 Amendment of 2050 target or baseline year

- (1) The Secretary of State may by order –
 - (a) amend the percentage specified in section 1(1);
 - (b) amend section 1 to provide for a different year to be the baseline year.
- (2) The power in subsection (1)(a) may only be exercised –
 - (a) if it appears to the Secretary of State that there have been significant developments in –
 - (i) scientific knowledge about climate change, or
 - (ii) European or international law or policy,that make it appropriate to do so, or
 - (b) in connection with the making of –
 - (i) an order under section 24 (designation of further greenhouse gases as targeted greenhouse gases), or
 - (ii) regulations under section 30 (emissions from international aviation or international shipping).
- (3) The developments in scientific knowledge referred to in subsection (2) are –
 - (a) in relation to the first exercise of the power in subsection (1)(a), developments since the passing of this Act;
 - (b) in relation to a subsequent exercise of that power, developments since the evidential basis for the previous exercise was established.
- (4) The power in subsection (1)(b) may only be exercised if it appears to the Secretary of State that there have been significant developments in European or international law or policy that make it appropriate to do so.
- (5) An order under subsection (1)(b) may make consequential amendments of other references in this Act to the baseline year.
- (6) An order under this section is subject to affirmative resolution procedure.

3 Consultation on order amending 2050 target or baseline year

- (1) Before laying before Parliament a draft of a statutory instrument containing an order under section 2 (order amending the 2050 target or the baseline year), the Secretary of State must –
 - (a) obtain, and take into account, the advice of the Committee on Climate Change, and
 - (b) take into account any representations made by the other national authorities.
- (2) The Committee must, at the time it gives its advice to the Secretary of State, send a copy to the other national authorities.
- (3) As soon as is reasonably practicable after giving its advice to the Secretary of State, the Committee must publish that advice in such manner as it considers appropriate.
- (4) The Secretary of State may proceed to lay such a draft statutory instrument before Parliament without having received a national authority's

representations if the authority does not provide them before the end of the period of three months beginning with the date the Committee's advice was sent to the authority.

- (5) At the same time as laying such a draft statutory instrument before Parliament, the Secretary of State must publish a statement setting out whether and how the order takes account of any representations made by the other national authorities.
- (6) If the order makes provision different from that recommended by the Committee, the Secretary of State must also publish a statement setting out the reasons for that decision.
- (7) A statement under this section may be published in such manner as the Secretary of State thinks fit.

Carbon budgeting

4 Carbon budgets

- (1) It is the duty of the Secretary of State –
 - (a) to set for each succeeding period of five years beginning with the period 2008-2012 (“budgetary periods”) an amount for the net UK carbon account (the “carbon budget”), and
 - (b) to ensure that the net UK carbon account for a budgetary period does not exceed the carbon budget.
- (2) The carbon budget for a budgetary period may be set at any time after this Part comes into force, and must be set –
 - (a) for the periods 2008-2012, 2013-2017 and 2018-2022, before 1st June 2009;
 - (b) for any later period, not later than 30th June in the 12th year before the beginning of the period in question.

5 Level of carbon budgets

- (1) The carbon budget –
 - (a) for the budgetary period including the year 2020, must be such that the annual equivalent of the carbon budget for the period is at least 26% lower than the 1990 baseline;
 - (b) for the budgetary period including the year 2050, must be such that the annual equivalent of the carbon budget for the period is lower than the 1990 baseline by at least the percentage specified in section 1 (the target for 2050);
 - (c) for the budgetary period including any later year specified by order of the Secretary of State, must be such that the annual equivalent of the carbon budget for the period is –
 - (i) lower than the 1990 baseline by at least the percentage so specified, or
 - (ii) at least the minimum percentage so specified, and not more than the maximum percentage so specified, lower than the 1990 baseline.

- (2) The “annual equivalent”, in relation to the carbon budget for a period, means the amount of the carbon budget for the period divided by the number of years in the period.
- (3) An order under this section is subject to affirmative resolution procedure.
- (4) For the purposes of subsection (1)(a) there shall be left out of account –
 - (a) so much of the carbon budget for the budgetary period including the year 2020 as the Secretary of State may determine relates to targeted greenhouse gases other than carbon dioxide, and
 - (b) so much of the 1990 baseline as is attributable to targeted greenhouse gases other than carbon dioxide.

6 Amendment of target percentages

- (1) The Secretary of State may by order amend –
 - (a) the percentage specified in section 5(1)(a);
 - (b) any percentage specified under section 5(1)(c).
- (2) That power may only be exercised –
 - (a) if it appears to the Secretary of State that there have been significant developments in –
 - (i) scientific knowledge about climate change, or
 - (ii) European or international law or policy,that make it appropriate to do so, or
 - (b) in connection with the making of –
 - (i) an order under section 24 (designation of further greenhouse gases as targeted greenhouse gases), or
 - (ii) regulations under section 30 (emissions from international aviation or international shipping).
- (3) The developments in scientific knowledge referred to in subsection (2)(a) are –
 - (a) in relation to the first exercise of the power conferred by this section in relation to the percentage specified in section 5(1)(a), developments since June 2000 (the date of the Royal Commission on Environmental Pollution’s 22nd Report, “Energy - the Changing Climate”);
 - (b) in relation to the first exercise of the power conferred by this section in relation to any percentage specified under section 5(1)(c), developments since the evidential basis for the order setting that percentage was established;
 - (c) in relation to a subsequent exercise of any of those powers, developments since the evidential basis for the previous exercise was established.
- (4) The power conferred by this section to amend the percentage in section 5(1)(a) includes power to amend or repeal section 5(4) (which directs that targeted greenhouse gases other than carbon dioxide are to be left out of account for the purposes of that provision).
- (5) An order under this section is subject to affirmative resolution procedure.

7 Consultation on order setting or amending target percentages

- (1) Before laying before Parliament a draft of a statutory instrument containing an order under section 5(1)(c) (order setting target percentage) or section 6 (order amending target percentage), the Secretary of State must—

- (3) As soon as is reasonably practicable after giving its advice to the Secretary of State, the Committee must publish that advice in such manner as it considers appropriate.
- (4) The Secretary of State may proceed to lay such a draft statutory instrument before Parliament without having received a national authority's representations if the authority does not provide them before the end of the period of three months beginning with the date the Committee's advice was sent to the authority.
- (5) At the same time as laying such a draft statutory instrument before Parliament, the Secretary of State must publish a statement setting out whether and how the order takes account of any representations made by the other national authorities.
- (6) If the order makes provision different from that recommended by the Committee, the Secretary of State must also publish a statement setting out the reasons for that decision.
- (7) A statement under this section may be published in such manner as the Secretary of State thinks fit.

8 Setting of carbon budgets for budgetary periods

- (1) The Secretary of State must set the carbon budget for a budgetary period by order.
- (2) The carbon budget for a period must be set with a view to meeting—
 - (a) the target in section 1 (the target for 2050), and
 - (b) the requirements of section 5 (requirements as to level of carbon budgets),and complying with the European and international obligations of the United Kingdom.
- (3) An order setting a carbon budget is subject to affirmative resolution procedure.

9 Consultation on carbon budgets

- (1) Before laying before Parliament a draft of a statutory instrument containing an order under section 8 (order setting carbon budget), the Secretary of State must—
 - (a) take into account the advice of the Committee on Climate Change under section 34 (advice in connection with carbon budgets), and

- (b) take into account any representations made by the other national authorities.

- (5) A statement under this section may be published in such manner as the Secretary of State thinks fit.

10 Matters to be taken into account in connection with carbon budgets

 - (h) circumstances at European and international level;
 - (i) the estimated amount of reportable emissions from international aviation and international shipping for the budgetary period or periods in question.
- (3) In subsection (2)(i) “the estimated amount of reportable emissions from international aviation and international shipping”, in relation to a budgetary period, means the aggregate of the amounts relating to emissions of targeted greenhouse gases from international aviation and international shipping that the Secretary or State or (as the case may be) the Committee estimates the United Kingdom will be required to report for that period in accordance with international carbon reporting practice.

- (4) Such amounts may be estimated using such reasonable method or methods as the Secretary of State or (as the case may be) the Committee considers appropriate.
- (5) The duty in subsection (2)(i) applies if and to the extent that regulations under section 30 do not provide for emissions of targeted greenhouse gases from international aviation and international shipping in the budgetary period or periods in question to be treated as emissions from sources in the United Kingdom for the purposes of this Part.
- (6) Section 30(1) (emissions from international aviation and international shipping not to count as emissions from UK sources for the purposes of this Part, except as provided by regulations) does not prevent the Secretary of State or the Committee from taking into account the matter referred to in subsection (2)(i) for the purposes of this section.
- (7) Nothing in this section is to be read as restricting the matters that the Secretary of State or the Committee may take into account.

Limit on use of carbon units

- (5) The order may provide that carbon units of a description specified in the order do not count towards the limit.
- (6) An order under this section is subject to affirmative resolution procedure.
- (7) Before laying before Parliament a draft of a statutory instrument containing an order under this section in relation to a budgetary period, the Secretary of State must –
 - (a) take into account the advice of the Committee on Climate Change under section 34(1)(b) (advice on use of carbon units) in relation to that period, and
 - (b) consult the other national authorities.

*Indicative annual ranges***12 Duty to provide indicative annual ranges for net UK carbon account**

- (2) An “indicative annual range”, in relation to a year, is a range within which the Secretary of State expects the amount of the net UK carbon account for the year to fall.
- (3) Before laying a report under this section before Parliament, the Secretary of State must consult the other national authorities on the indicative annual ranges set out in the report.
- (4) The Secretary of State must send a copy of the report to those authorities.

*Proposals and policies for meeting carbon budgets***13 Duty to prepare proposals and policies for meeting carbon budgets**

- (6) The Secretary of State must send a copy of the report to those authorities.

15 Duty to have regard to need for UK domestic action on climate change

- (1) In exercising functions under this Part involving consideration of how to meet—
 - (a) the target in section 1(1) (the target for 2050), or
 - (b) the carbon budget for any period,the Secretary of State must have regard to the need for UK domestic action on climate change.

- (1) The Secretary of State may decide to carry back part of the carbon budget for a budgetary period to the preceding budgetary period.
The carbon budget for the later period is reduced, and that for the earlier period increased, by the amount carried back.
- (2) The amount carried back under subsection (1) must not exceed 1% of the carbon budget for the later period.
- (3) The Secretary of State may decide to carry forward the whole or part of any amount by which the carbon budget for a budgetary period exceeds the net UK carbon account for the period.

*Interpretation***70 Interpretation**

- (1) In sections 61 to 69 and this section “reporting authority” means –
 - (a) a person or body with functions of a public nature,
 - (b) a person who is or is deemed to be a statutory undertaker for the purposes of any provision of –
 - (i) Part 11 of the Town and Country Planning Act 1990 (c. 8) (see section 262 of that Act), or
 - (ii) Part 10 of the Town and Country Planning (Scotland) Act 1997 (c. 8) (see section 214 of that Act), or
 - (c) a person who is a statutory undertaker within the meaning of the Planning (Northern Ireland) Order 1991 (S.I. 1991/1220 (N.I. 11)) (see Article 2(1) of that Order).
- (2) None of the following are reporting authorities for the purposes of those sections and this section –
 - (a) a Minister of the Crown;
 - (b) either House of Parliament;
 - (c) a devolved authority;
 - (d) a devolved legislature.
- (3) In those sections and this section “devolved authority” means –
 - (a) the Welsh Ministers, the First Minister or the Counsel General,
 - (b) the Scottish Ministers, the First Minister, the Lord Advocate or the Solicitor General for Scotland, or
 - (c) a Minister within the meaning of the Northern Ireland Act 1998 (c. 47) or a Northern Ireland department.
- (4) References in those sections to a reporting authority’s “devolved functions” are to functions –
 - (a) conferred or imposed by or under a Measure or Act of the National Assembly for Wales,
 - (b) exercisable in or as regards Wales and relating to matters within the legislative competence of the National Assembly for Wales,
 - (c) exercisable in or as regards Scotland and relating to matters within the legislative competence of the Scottish Parliament,
 - (d) exercisable in or as regards Northern Ireland and relating to transferred matters within the meaning of the Northern Ireland Act 1998, or
 - (e) in relation to which functions are exercisable by a devolved authority, and in relation to which no functions are exercisable by a Minister of the Crown.
- (5) For this purpose functions are not to be regarded as exercisable by a Minister of the Crown in relation to a reporting authority’s functions merely because –
 - (a) the Minister of the Crown may exercise functions –
 - (i) under section 2(2) of the European Communities Act 1972 (c. 68),
 - (ii) by virtue of section 57(1) or under section 58 of the Scotland Act 1998 (c. 46) (Community and international obligations),
 - (iii) under section 27 or 28 of the Northern Ireland Act 1998 (international etc obligations),

- (iv) by virtue of paragraph 5 of Schedule 3 to the Government of Wales Act 2006 (c. 32) or under section 82 of that Act (Community and international obligations), or
 - (v) under section 152 of that Act (intervention in case of functions relating to water etc),
in relation to the reporting authority’s functions,
 - (b) the Minister of the Crown’s agreement is required to the exercise of a function by a devolved authority in relation to the reporting authority’s functions, or
 - (c) the Minister of the Crown must be consulted by a devolved authority about the exercise of a function in relation to the reporting authority’s functions.
- (6) References in those sections to a reporting authority’s “devolved Welsh functions” are to functions –
- (a) conferred or imposed by or under a Measure or Act of the National Assembly for Wales,
 - (b) exercisable in or as regards Wales and relating to matters within the legislative competence of the National Assembly for Wales, or
 - (c) in relation to which functions are exercisable by the Welsh Ministers, the First Minister or the Counsel General.
- (7) For this purpose functions are not to be regarded as exercisable by the Welsh Ministers, the First Minister or the Counsel General in relation to a reporting authority’s functions merely because –
- (a) the agreement of the Welsh Ministers, the First Minister or the Counsel General is required to the exercise of a function by a Minister of the Crown in relation to the reporting authority’s functions, or
 - (b) the Welsh Ministers, the First Minister or the Counsel General must be consulted by a Minister of the Crown about the exercise of a function in relation to the reporting authority’s functions.
- (8) In those sections and this section –
- (a) “Counsel General” and “Wales” have the same meanings as in the Government of Wales Act 2006 (c. 32);
 - (b) “Minister of the Crown” includes a government department.
